Dear Ms. [REDACTED]

### Certificate of Eligibility

This certifies that you are entitled to benefits for an approved program of education or training under the Post-9/11 GI Bill.

**You must take this letter to your school. Your school must certify your enrollment before you can get paid.**

You have 15 months and 6 days of full-time benefits remaining.

You have until October 2, 2025 to use your benefits under this program, which is fifteen years from your last separation from active duty.

You're entitled to receive 100% of the benefits payable under the Post-9/11 GI Bill program for training offered by an institution of higher education. We determined this percentage based on your length of creditable active duty service. We based our decision on the following service information:

Begin Date	End Date	Service Length (in days)	Training Length (in days)	Total (Service/Training)
10/24/2006	10/01/2010	1,393	46	1,439
Total:		1,393	46	1,439

### Yellow Ribbon

Because you are eligible at the 100% benefit rate, you may also be eligible to participate in the Yellow Ribbon Program. The Yellow Ribbon Program allows schools to enter into an agreement with VA to provide additional financial assistance to individuals who are charged tuitions and fees that exceed the in-state maximum amount payable under the Post-9/11 GI Bill program. This benefit is only payable if the Post-9/11 GI Bill tuition and fee payment does not cover the full cost of your school's tuition and fees.

... The Yellow Ribbon Program is

**Please be advised. Since we have several summer sessions, and many short courses, you should be alert to the fact that the beginning and ending dates of each individual course will affect the amount of money the VA will send you for the month. The Dept. of Veterans Affairs will treat each course you are enrolled in as a separate unit with its own beginning and ending date. We will report these dates to the VA so they can determine what their regulations specify for your monthly pay. When a course ends, it is no longer counted by the VA as part of your enrollment irregardless of which semester it is assigned to. This is independent of Univ. of Iowa policy.**

  - Do you have a disability rating with either the military or the DVA? \_\_\_\_\_ What percentage? \_\_\_\_\_
- For All Semesters, Changes in course enrollment after the last day to drop and add courses may result in loss of benefits back to the first day of class unless the VA finds mitigating circumstances involved in the change. Courses added during the drop/add period are considered by the VA to begin on the day the course was added, not the first day of the session (as a result, the first VA check for the session may be less than the full amount expected).**

**I AM AWARE THAT CHANGES IN MY REGISTRATION MAY ALTER THE PAYMENT THE VA WILL AWARD ME. I understand that I will be liable for any overpayment which I might receive from the Veterans Administration. Listed above are all courses I am repeating (#7). I AM ALSO AWARE THAT I MUST CHECK IN EACH SESSION AFTER REGISTERING IF MY PLANS CHANGE FROM WHAT I REPORT HERE.**

I hereby certify that all statements are true and complete to the best of my knowledge and belief.

I request GI Bill payment for the program I have listed in question #1
